OVERSIGHT BOARD MEETING DATE: January 26, 2017

DATE: January 26, 2017
TO: Hon. Members of the East Palo Alto Successor Agency Oversight Board
FROM: Brenda Cooley-Olwin, Treasurer
SUBJECT: Approval of the Eleventh East Palo Alto Recognized Obligation Payment Schedule for the Period July 1, 2017 to June 30, 2018 (ROPS 17-18)

RECOMMENDATION:

Staff recommends that the Oversight Board adopt Resolution OB 2017-01 approving ROPS 17-18 for the period July 1, 2017 to June 30, 2018.

BACKGROUND:

The following Recognized Obligation Payment Schedules (“ROPS”) have been approved by the Oversight Board (OB) and the State Department of Finance:

- A) ROPS I: January 1, 2012 - June 30, 2012
- B) ROPS II: July 1, 2012 - December 31, 2012
- C) ROPS III: January 1, 2013 - June 30, 2013
- D) ROPS 13-14A: July 1, 2013 - December 31, 2013
- E) ROPS 13-14B: January 1, 2014 - June 30, 2014
- F) ROPS 14-15A: July 1, 2014 – December 31, 2014
- G) ROPS 14-15B: January 1, 2015 – June 31, 2015
- H) ROPS 15-16A: July 1, 2015 – December 31, 2015
- I) ROPS 15-16B: January 1, 2016 – June 30, 2016
- J) ROPS 16-17: July 1, 2016 – June 30, 2017

ANALYSIS:

On September 22, 2015, the California Legislature passed budget trailer bill SB 107. The primary purpose of SB 107 was to make technical and substantive amendments to the existing Dissolution Law. As such, the Successor Agency of the former Redevelopment Agency of the City of East Palo Alto (Successor Agency) must file an annual ROPS whereby the minimum payments and due dates for enforceable obligations payable during the entire fiscal year are set forth, as follows:

ROPS 17-18: July 1, 2017 to June 30, 2018: ROPS 17-18 includes a total fiscal year request for funds in the amount of \$2,661,650. The total request and other notable changes reflect the following major obligation payment trends:

- Annual refunding bond debt service payments in the amount of \$1,536,150 which represents approximately \$290,000 in annual cost savings compared to the former debt service payments refunded on September 1, 2015.
- Sponsoring Entity loan principal payments totaling \$1,000,000, comprised of the Gateway (\$600,000) and Ravenswood (\$400,000) repayments. As reflected on Attachment 2, the total Sponsoring Entity loan repayment allowable equals approximately \$1.38 million. The Agency is not requesting the full repayment allowable because the maximum Sponsoring Loan payment amount is determined through a formula which takes into account the amount of excess property tax available to distribute to taxing entities, and the amount available to distribute was unusually high during the ROPS 16-17. The unusually high amount of property tax available to distribute was the result of utilizing approximately \$800,000 in internal Agency funds to pay ROPS 16-17 obligations. If the Agency has not had internal funds available to pay Agency ROPS obligations, the maximum loan repayment allowable would have been approximately \$1,000,000. Therefore, staff is only requesting the amount that would have been allowed had the Agency not inadvertently accumulated excess, internal funds of approximately \$800,000.
- Significant reduction in administrative expenses from \$137,500 to \$50,000 to reflect the reduced reporting workload but funding for administrative purposes remains necessary in order to cycle through the verification of Sponsoring Entity Loan balances and processing the Last and Final ROPS.

The ROPS 17-18 template and Oversight Board Resolution are due to the State Department of Finance no later than February 1, 2017.

DATE: January 26, 2017

TO: Hon. Members of the East Palo Alto Successor Agency Oversight Board

FROM: Brenda Cooley-Olwin, Treasurer

SUBJECT: Important Formal Correspondence from the State Department of Finance to the Successor Agency

BACKGROUND:

This item has been placed on the Oversight Board (the "OB") agenda to inform all Board members of important correspondence from the State Department of Finance (DOF) and/or other agencies.

On April 10, 2016 the Successor Agency received a letter from the State DOF confirming approval of the Oversight Board actions taken on January 28, 2016 regarding the Agency's Sponsoring Entity Loans. Such approval results in the placement of both Sponsoring Entity loans (Ravenswood and Gateway) on the Recognized Obligation Payment Schedule (ROPS). The Department of Finance will verify the validity and accuracy of the loan balances during the 17-18 ROPS approval cycle.

April 10, 2016

Ms. Brenda Cooley-Olwin, Interim Finance Director
City of East Palo Alto
2415 University Avenue
East Palo Alto, CA 94303

Dear Mr. Suen:

Subject: Approval of Oversight Board Actions

The City of East Palo Alto Successor Agency (Agency) notified the California Department of Finance (Finance) of its January 28, 2016 Oversight Board (OB) Resolutions on March 1, 2016. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB actions.

Based on our review and application of the law, Finance made the following determinations:

OB Resolution No. OB 2016-02

OB Resolution No. OB 2016-02, approving the repayment of a \$5,371,520 loan made by the City of East Palo Alto (City) to the former Redevelopment Agency (RDA), is approved.

OB Resolution No. OB 2016-03

OB Resolution No. OB 2016-03, approving the repayment of a \$6,413,730 loan made by the City to the former RDA, is approved.

The Agency received a Finding of Completion on July 16, 2013. As a result of the OB finding the loans were for valid redevelopment purposes, the Agency may now place the loans on the Recognized Obligation Payment Schedule (ROPS). However, the repayment of the City loans is subject to the repayment formula outlined in HSC section 34191.4 (b) (2) (A). HSC section 34191.4 (b) (2) (A) allows this repayment to be equal to one-half of the increase between the ROPS residual pass-through distributed to the taxing entities in that fiscal year and the ROPS residual pass-through distributed to the taxing entities in the 2012-13 base year.

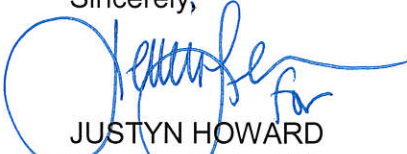

In addition, HSC section 34191.4 (b) (2) requires the interest be calculated from loan origination at the Local Agency Investment Fund (LAIF) rate. The accumulated interest on the loans should be recalculated from the date of loan origination using the quarterly LAIF interest rate at the time when the Agency's OB makes a finding that the City loans were for legitimate redevelopment purposes. This will supersede any existing interest rates in the loan agreements. Therefore, the repayment amounts of the agreements are subject to Finance's review and approval on subsequent ROPS.
