

Revised Candidate Statement:

“My name is Webster Lincoln, and I am running for East Palo Alto City Council because I believe in our community's potential and the power of inclusive leadership. For years, I have been a steadfast advocate for affordable housing, economic development, and youth empowerment. I have fought to keep our Sanitary District under local control, protecting jobs and ensuring community oversight.

My vision for East Palo Alto includes expanding affordable housing programs and supporting community land trusts to prevent displacement. I am committed to creating business incubators, supporting locally-owned businesses, and partnering with tech companies to provide job training and employment opportunities. Additionally, I will work to expand after-school programs and provide mentorship opportunities that help our youth succeed.

Our community deserves leadership that understands our challenges and is dedicated to creating opportunities for all residents. Together, we can build a more inclusive, prosperous, and vibrant East Palo Alto, honoring our rich heritage while forging a brighter future. Vote for Webster Lincoln to ensure a thriving East Palo Alto for generations to come. Thank you for your support.”
