

**CITY OF EAST PALO ALTO, CALIFORNIA
DEPARTMENT OF PUBLIC WORKS – ENGINEERING DIVISION**

ADDENDUM 3

**TRASH CAPTURE DEVICES INSTALLATION
PUBLIC WORKS PROJECT NO. SD-08**

To all prospective bidders, you are advised that the bid Documents for the above referenced Project are amended and clarified, as follows:

General Information and Questions

Question 1: Does the bid will include the cost of furnishing 75 connector pipe screens with filters that will be installed in addition to twenty five (25) filter fabrications to be used by the city for future maintenance?

Answer 1: The bid item #4 include all the cost for the cleaning, material and installation of the connector pipe screen and the 25 extra filter fabrications to be used the City for future maintenance.

Question 2: It states in section 105 part 4 - Maintenance "After completion, the contractor will provide an additional twenty five (25) filter fabrications to the City Public Works maintenance department for the future maintenance." What will be the sizes of these filters assuming each catch basin varies in sizes?

Answer 2: Contractor is expected to provide different sizing of the filters, depending on the measurement and installation of the filter at the field.

Question 3: We couldn't reach the vendor of the approved shop specs for the filters. Could we contact another vendor for the city to approve the shop specs for?

Answer 3: If the contractor wants to use REM as connector pipe screen as bid item, the City would expect the contractor to contact the vendor directly for additional information. REM website and phone number were provided on the proposal. FYI, the City also approved another vendor on addendum #1.

Question 4: The map isn't clear on which 75 catch basins are part of the project. Could the city provide clarification on this?

Answer 4: The project location are within Zone C to H as indicated on the proposal. The City can provide clarifications on the catch basins location to the selected contractor during pre-construction meeting.

Question 5: Will the bid opening date be extended?

Answer 5: No, Addendum #3 does not impact the base bid and the items added and/or clarified will not disqualify a contractor if not included.
